Appointment Setter

Description

We are a high energy 401k and self-directed IRA Education Company located in Las Vegas serving clients nationwide.

Our company is focused on having an excellent culture and putting the right people in a position to succeed and grow with our company.

We're looking for a dynamic, self-motivated outbound marketer interested in learning about the financial world and growing with a company where the sky is the limit. No prior 401k or IRA experience is required. What is required is a positive attitude, the willingness to embrace sales, and a great work ethic. We provide a full training program and an opportunity to move up within the company.

Responsibilities

The outbound marketer will solicit qualified leads by phone for appointments with 401k and IRA experts. This is a call center position with potential for growth and advancement.
